

## Employment Trends (Student A)

1. In many countries there has been an increase in hourly paid employment. Why do you think that is?
  2. What is the ideal number of hours a person should work every week? Are you happy with your hours?
  3. In certain countries like the UK, there are fewer manufacturing jobs than in the past. Why is this?
  4. What did your parents and grandparents do for a living? How is it different to what you are doing now?
- 

## Employment Trends (Student B)

1. Would you prefer to be paid by the hour or paid a fixed salary? Why?
  2. What is the unemployment rate in your country right now? Is it increasing or decreasing?
  3. Are there any jobs that you think will not exist in 20 years' time? What are they?
  4. What impact has migrant labour had on your country in recent years? Would you like to see more or less in future?
- 

## Employment Trends (Student C)

1. Why do some people choose to work part time? Would this suit you?
  2. What is the best thing a government can do to keep unemployment low in your opinion?
  3. Can you think of any new professions that will be created in the near future?
  4. Is self-employment on the increase in your country? Does it appeal to you?
