

# Going to / Will

Who is going to win the next football world cup?	Is your country's economy going to improve next year?
Are we going to meet aliens from another planet one day?	Where will you be in ten years' time?
Do you think everyone will work from home one day?	In what way will education change in the future?
What is going to happen to global temperatures in the next 50 years?	Is the world's population going to increase in the next 20 years?
Are you going to be very successful one day?	Who will be the next leader of your country?
What will a typical city look like in 50 years' time?	What will the weather be like next week?
