

Should

Do you think teachers should be paid more?	Should people pass an intelligence test before they can vote?
Do you think you should exercise more?	How much should parents spend on Christmas presents for their children?
Should your government do more to help poorer people?	Should everybody love their country?
Should 16-year-olds be allowed to vote in elections?	Do you have any bad habits which you should stop?
Do you think parents should be strict with their children?	Should smoking be banned in all public places?
What should we do about the problem of global warming?	When was the last time you did something you shouldn't have done?
