

# History

Why is it important to learn history at school?

Do you feel you have a good knowledge of history?

What is more important, world history or your own nation's history?

Who is your nation's greatest hero?

Should we learn about the great heroes of history or about ordinary people?

What is the most important historical site in your country?

If you could travel back in time, which period would you visit?

What has been the most important historical event in the past 30 years?

Is there anyone alive today who will be remembered in a thousand years?

Do you think human beings have made progress over the course of history?

Did you enjoy studying history at school?

Can you think of a great historical film you have seen?

If you could meet one historical figure, who would it be?

Who is the most influential person in history, for better or for worse?

Are you proud of your country's history?

How much of the history we know about can we really trust?

Are you happy you were born at this moment in history?

Was the 20th century a great century?

If you could erase one event from history, what would it be?

Have you ever witnessed a historical event? What about on television?
